Full description

The Italian company established in 2014 is being present in the HO.RE.CA market for over 28 years. Their experience in the fields of reception and catering products was built up over years of work and research, listening to customer needs and looking for the most suitable solutions to offer, from cutlery to accessories, from the best porcelain to the most refined tablecloths. All their creations are completely handmade and custom made in their factory. The range of proposals for hotels and restaurants is thought to fulfill any request, both functional and stylish guaranteeing high quality of materials, durability, refinement. Whatever the occasions, anniversaries or weddings, buffet or an important dinner, their products give the "golden" touch of style and prestige.

In order to further expand their business, the company is currently looking for foreign suppliers of porcelain and fabric manufacturers such as tablecloth made of cotton, linen and other mixtures of different fibers, bed accessories such as terry and and linen sheets and towels.
